

Can Can

Can Can Pendant
105W White

CANCAN WHT/TRAN

105W White
Quicklink: Q4296

The **Can Can Pendant** is a designer pendant providing diffused light. The body is injection-molded PMMA body and diffuser. Polycarbonate ceiling fitting.

The Can Can has a clean, linear silhouette. The clear diffuser below provides a sharp contrast to the simple exterior. The diffuser is a highly decorative filagree design.
