The **Goldman LED Table light** by FLOS t is the energy efficient version of the traditional banker's desk lamp. Aluminium structure with external transparent methacrylate diffuser and opal PC led diffuser. Optical switch sensor on the base that provide 3-step dimming function. A USB socket on the back of the base enables you to recharge the most common smartphones and tablets (max 1.5A). Adaptor on plug connector with interchangeable plugs. The power chord is 2.5 metres long. This minimal, classic design is ideal for a traditional or contemporary study.
