Firefly 6 Pattern Laser effect garden spike light, illuminate any garden or outdoor area with Christmas laser shapes. The Firefly can cover large areas and reach areas traditional lighting can not.

The laser landscape is great for outdoor decoration whether you are decorating for parties or holiday. The plug and play system makes it easy to install, just plug in and point in desired location, eliminates the need for setting up complicated string lights during the festive period .

Includes a mains plug transformer for powering a single Firefly laser light.

Please Note: *This transformer must be enclosed within a waterproof outdoor enclosure.

This laser will automatically switch itself off after 6 hours as default.
