Voltage	240V

Light Characteristics

Colour Rendering Index	80
Halogen Equivalent Wattage	50W

The Rock 'n' Roll LED Reality GU10 is a fully adjustable downlight complete with a Rock 'n' Roll IP55 Conversion Ring.

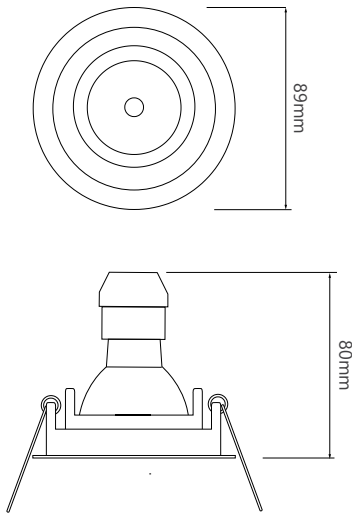

When fitted the outer ring is permanently attached to the ceiling while the two inner rings, which form one unit, can easily be pulled out to reveal the lampholder. This makes lamp replacement effortlessly simple.

Replace the inner ring of the Rock 'n' Roll 50 downlight fixture with this IP55 rated Glass covered inner ring enabling the downlight fixture to be installed in a bathroom.
