The **Joel Wall Light** is stunning blend of black and polished chrome that exudes elegance and modernity. This bedside lighting fixture is the perfect addition to any home that values both style and functionality.

With a sleek and minimalist design and featuring an adjustable head that can be angled to provide a targeted lighting in any direction you need, the Joel Wall Light is a contemporary look and practical features making it an excellent option for any modern décor.

The on/off toggle switch thoughtfully positioned on the back plate so you can easily turn it on and off with just a flick of a finger, ideally designed for a bedside reading light.
