The **Mashiko 200 Ceiling Flush Mount** is a stylish and modern lighting solution that is perfect for any bathroom. This flush mount ceiling light is designed to provide bright and diffused light through five frosted glass windows that are held together by a steel decorative frame.

The five frosted glass windows allow light to diffuse in all directions, providing a soft and even light distribution that is perfect for illuminating mirrors, bathroom cabinets, and sink areas. The steel decorative frame adds a touch of elegance and sophistication to the light, making it a stylish and functional addition to any bathroom.

This fitting is IP44 rated, making it suitable for use in bathroom zone 2, ensuring it is safe to use in damp and humid environments. Constructed from steel and glass and finished in polished chrome, this fitting is durable and long-lasting.

A 60W maximum E27 lamp must be purchased separately and **this fitting is dimmable**. The Mashiko 200 Ceiling Flush Mount is the perfect choice for any bathroom that requires a modern, sleek and powerful light source. With its energy-efficient LED lights, its sleek design, and its wide coverage of light, it is an ideal choice for any modern home.
