The **Mashiko 300 Ceiling** provides a bright diffused light through five frosted glass windows held together by a steel decorative frame. One 14W fluorescent lamp is incorporated into the fitting, providing sufficient light whilst simultaneously meeting the requirements of Part L building regulations on the conservation of power.

This fitting is IP44 rated, allowing for location in bathroom zone 2 (see technical tab). Constructed from steel and glass and finished in polished chrome. This fitting is not dimming compatible. The 14W lamp must be purchased separately. A matching wall light is also available in two sizes.
