The **Pendant Set** is a complete kit for ceiling installation.

Upgrade your lighting with the Pendant Set White 150mm – a sleek, modern ceiling light fitting ideal for residential and commercial interiors. This white pendant light kit includes a 6-inch plastic ceiling rose, BC/B22 lamp holder, and 150mm cable, offering a complete solution for stylish and functional ceiling light installations.

Perfect for kitchens, living rooms, bedrooms, hallways, and retail spaces, this minimalist pendant light supports up to 100W bulbs, including LED, halogen, and energy-saving lamps. Its durable plastic construction ensures long-lasting performance, while the neutral white finish complements any décor.

Compatible with vintage filament bulbs, squirrel cage globes, and modern LED bulbs, this pendant light fixture is ideal for creating ambient or task lighting. Use it as a single drop light or combine multiple units for a cluster pendant light effect.
