The **Pendant Set** is a complete kit for ceiling installation with 230mm cable

Illuminate your space with the Pendant Set White 230mm, a complete and stylish ceiling light fitting ideal for modern and traditional interiors. This white pendant light kit includes a BC/B22 bayonet cap lamp holder, plastic ceiling rose, and a 230mm cable, offering a ready-to-install solution for home lighting and commercial lighting projects.

Designed for versatility, this pendant light fixture is compatible with LED bulbs, filament lamps, and energy-saving bulbs, making it perfect for kitchens, bedrooms, living rooms, hallways, and retail environments. Its durable plastic construction and neutral white finish blend seamlessly into any décor, from minimalist to vintage.

Whether you're creating a cluster pendant light arrangement or a single drop light, this 230mm pendant set delivers both function and style. Ideal for DIY lighting installations, it supports up to 100W bulbs and works well with squirrel cage globes, G95 bulbs, and more.
