Maximum Wattage	150W
Voltage	240V

The **Titan Size 1 Pendant Light** is an elegant and timeless piece that will add a touch of industrial charm to any space. This pendant light is a faithful reproduction of a popular 1940s design, originally found in factories and industrial units of the period. The Titan range is available in two different sizes, making it perfect for any room, whether you're looking to make a statement in a large open space or add a touch of character to a smaller room.

The light is supplied with an armour steel braided cable, which not only adds to the vintage aesthetic but also ensures that the light is durable and long-lasting. The pendant light is dimmable, allowing you to create the perfect ambiance in any room. Whether you're looking to add a touch of character to your living room, kitchen, or bedroom, the Titan Pendant Light is the perfect choice. It is a piece that will be treasured for years to come.
