Construction Glass

Gallery fitting for Classic Sphere Shade. Also suitable for B22 Shade Ring Lampholders.

3¼ inch gallery with a 29mm centre hole, designed for fitting a glass shade to a compatible BC / bayonet lampholder using shade rings.

This gallery suits glass shades with a 3 inch rim and gives a neat, secure way to attach the shade to the lampholder. Choose a finish to match your lampholder, or use a contrasting finish as a decorative detail.

Product details:

- Gallery size: 3¼ inch
- Centre hole: 29mm
- Designed for glass shades with a 3 inch rim
- Suitable for compatible BC / bayonet lampholders with shade rings
- Helps secure glass shades neatly to the lampholder
- Useful for lamp repairs, restoration work and decorative lighting projects
