

FRT100 FRAME LRG

Quicklink: Q4864

General

Construction Steel

This fitting is for use with FRT100 AR111 light fittings. The **FRT100 Plaster Frame AR111 12V** is a mounting ring which is designed to be fitted into the ceiling and plastered in before the light fixture is put into place. The downlighter fits into the hole in the ceiling and will rest on top of the mounting bracket. Once the light is fitted there will be no trim.
