The superior quality of the **Horizon faceplate style** has been designed to suit both traditional and contemporary interiors. Produced with square corners, it features **trimless switches** for exceptional product reliability. To ensure design uniformity throughout a project, non-standard accessories can be made to suit requirements.

Non-standard accessories can be made to suit requirements and ensure design uniformity throughout a project.

**NOTE:** This has the appearance of a dimmer but its functions are intermediate on/off switching only.
