LED Party Festoon Lights offer an alternative to conventional string lights, providing longer lamp life, bigger and better light efficiency as well as a brighter and more vivid colour.

The lights are suitable for outdoor use.

This fitting produces a static colour only. There is no controller for this fitting.

The LEDs of this set cannot be replaced.

PLEASE NOTE: A maximum of 50 metres/100 lamps can be connected to 1 transformer.

Transformer sold separately - see linked products.
