General

Cable Colour	Green
Colour	Green
Construction	Plastic
IP Rating	IP44

Lamp Spacing	100mm
Number of Lamps	50
Waterproof	Yes

Dimensions

Cable Length	400mm
Length	5m
Light Length	5m

**LED String Lights** offer an alternative to conventional string lights, the small LEDs provide longer lamp life, better light efficiency as well as a brighter and more vivid colour.

The lights are suitable both indoor and outdoor use. The smart battery box requires 3 x D size batteries (not included).

Switch lights on at required time (e.g. 17:00), choose 'Timer', the lights will switch off automatically after 6 hours (e.g. 23:00). The timer will repeat this cycle every day for 2 months on 1 set of batteries.

This fitting produces a static colour only. There is no controller for this fitting.

The LEDs of this set cannot be replaced.

Smart Battery Pack measurements: L133mm W87mm H40mm
