The **LED Emergency Exit Blade** is an adjustable surface mounted LED exit light with an arrow up legend as standard. The pivot fitting can be ceiling or wall mounted for use above doors or in hallways. Sleek, low profile design. Suitable for commercial and industrial installations. Viewable from both sides. 25m viewing distance.

Features a manual push test indicator. Once activated, unit illuminates for 5 minutes to indicate fitting is functioning correctly. Key Test feature can also be used.
