Voltage	240V

Light Characteristics

Colour Temperature	3000K Warm White
Halogen Equivalent Wattage	300W
Lumens	4200 lm
Lumens Per Watt	140 lm/W

The LED Sign Light is ideal for lighting signs, gardens and sides of buildings. The arm allows this fitting to be fitted on either a wall or can be used as a floor stand.

The LED floodlight gives a bright vibrant light and is more energy efficient than equivalent halogen floodlights. Its robust aluminium casing and IP65 rating make this fitting weather proof and durable. This fitting is not dimmable.
