Award Winning Design **Artist 40 Pendant Light** in copper is a beautiful and timeless piece of lighting design that will add a touch of elegance and character to any room. The pendant features a copper shade with opal white glass and a black fabric cable, giving it a sophisticated and modern look. The design of the Artist Pendant is inspired by the world of music, specifically modelled on a drum kit cymbal, adding a unique touch to any space. The pendant is designed by Bønnelycke MDD, a renowned Danish design studio.

The Artist Pendant comes with an integrated LED light source, which is energy efficient and long-lasting. Different colours and sizes are available in this range, allowing you to choose the perfect match for your home's décor.

Please note that the cable of the Artist Pendant cannot be replaced. The cable is designed to be a part of the overall design and cannot be changed. With its timeless design, high-quality materials and energy-efficient LED light source, The Artist Pendant is a must-have piece for any design-savvy home. It will be treasured for years to come.
