The **ES Dimmable LED 9W** lamp delivers a glow effect for a welcoming, warm atmosphere, making it ideal for domestic or commercial lighting applications. Its unique design radiates warm light in all directions, making it a true alternative to the incandescent lamp. They are particularly suitable for public areas such as lobbies, corridors, stairwells, where the light is always on. Compatible with existing fixtures with an ES holder and designed for retrofit replacement of incandescent bulbs.

The **ES Dimmable LED 9W** delivers huge energy savings and minimizes maintenance cost without any compromise on light quality. They can be used together with most leading edge dimmers, enabling further efficiencies while helping to create the desired atmosphere.
