Plug and Play Garden Light Configurator The **LED Hood** range of fittings are a stylish way to accentuate areas of your garden. The head of this wall mounted spotlight can be angled to suit your requirements. The plug and play nature of this fitting, with the power cable running down or along the wall, makes this product easy to install. A set of mounting screws and dowels are included.

This is made of pure aluminium and combined with the electrostatic powder coated paint finish ensures a waterproof and dustproof outdoor ready fitting.
