

## **WISE CONTACT 32**

7000W Quicklink: Q4AC7

General

IP Rating IP56

Dimensions

Depth 75mm Height 190mm Width 120mm

Electrical

Amperage 32A Maximum Wattage 7000W Voltage 240V The Wise Contactor is a 3 pole contactor. It is AC Controlled

A contactor is an electrically controlled relay switch used for switching an electrical power circuit. A contactor is typically controlled by a circuit which has a much lower power level than the switched circuit.

We recommend using this product when the load exceeds 1000W on the Wise box circuit. With this product you can connect up to 32 amps (7000W).
