

CARAVAGGIO P1 DS

30W Dark Sienna
Quicklink: Q4B4C

General

Cap	ES / E27
Colour	Red
Construction	Aluminium
Dimmable	Yes
IP Rating	IP20

Dimensions

Base Diameter	165mm
Length	216mm
Maximum Suspension Length	3000mm

Electrical

Maximum Wattage	30W
Voltage	240V

The eye-catching Caravaggio pendants were launched in 2005 and instantaneously gained a status as a design icon. With Caravaggio, designer Cecilie Manz combines a recognisable shape with a modern expression. The simple, timeless pendant consists of a metal shade with soft, feminine lines held by a chrome-plated metal suspension. The textile cable is particularly well integrated into the design and gives the lamp its finishing touch. The Caravaggio lamp casts a concentrated downward light whilst also illuminating both the suspension and the cable through a hole at the top of the lamp. The depth of the shade prevents glare.
