The **Pendant Set** is a complete kit for ceiling installation with 152mm cable.

Enhance your interior lighting with the Pendant Set White 152mm, a complete and stylish ceiling light fitting perfect for both modern and traditional spaces. This white pendant light kit includes a BC/B22 bayonet cap lamp holder, plastic ceiling rose, and a 152mm cable, offering a ready-to-install solution for home lighting, office lighting, and retail lighting.

Ideal for use in kitchens, bedrooms, living rooms, hallways, and commercial environments, this pendant light fixture supports up to 100W bulbs, including LED, halogen, and energy-saving lamps. Its durable plastic construction and neutral white finish make it a versatile choice for any décor style, from minimalist to vintage.

Compatible with filament bulbs, G95 globes, and modern LED lighting, this 152mm pendant set is perfect for creating ambient or task lighting. Use it as a single drop light or combine multiple units for a cluster pendant light effect. Great for DIY lighting projects and custom ceiling installations.
