Stay cool and comfortable with this handy USB Desk Fan, designed with an adjustable head and body to let you direct airflow exactly where you need it. Its sleek black finish adds a modern touch, making it a smart addition to any office, home workspace, or study area thanks to its quiet operation

This fan is not only practical but also makes a great gift idea for colleagues, students, or anyone who appreciates comfort and style. The Retro-inspired design blends functionality with elegance, while the USB-powered operation ensures easy use—just plug it into any USB port.

Perfect for use in cars, trucks, or any vehicle with a USB outlet, this fan is both portable and versatile.

- Adjustable Head – Customize the angle for optimal airflow and comfort.
- USB Powered – Simply plug into any USB port on your laptop, desktop, power bank, or vehicle.
- Versatile Use – Ideal for offices, home workspaces, cars, trucks, and more.
- Durable Build – Made from high-quality metal and plastic for long-lasting performance.
- Portable & Lightweight – Weighs just 280g, making it easy to carry and reposition.
- Generous Cord Length – Comes with a 1.2-meter USB cable for flexible placement.
- Low Voltage Operation – Safe and energy-efficient at 5V.
