Light Characteristics

Beam Angle	120°
------------	------

Illuminate driveways, gardens, and building exteriors with this high-brightness **RGB LED floodlight**. Designed for vibrant, powerful lighting, it combines energy efficiency with stunning colour options to create the perfect atmosphere indoors or outdoors.

Built for durability, the floodlight features a robust aluminium housing and an IP65 weatherproof rating, ensuring reliable performance in all conditions. Its internal memory means the light always returns to the last colour setting—even after being switched off at the mains.

The included RF remote offers effortless control with a range of up to 25 metres and does not require direct line of sight, making colour changes quick and convenient.

This fitting is not mains dimmable. It can be 25%, 50%, and 75% dimmed via the RF Remote
