

LEDGLS 7WBC OP

7W 2700K Warm White

Quicklink: Q4C5A

Dimmable LED filament 60mm GLS lamp with pearl finish. Energy saving 2700K warm white LED replacement lamp featuring LED filament technology. LEDs are arranged in a series filament arrangement, allowing true omni-directional light output. Designed to closely resemble the look and feel of a traditional incandescent lamp. Features DuoDim™ Technology: Compatible with both leading and trailing edge dimmers.
