Lumens Per Watt	80 lm/W

The **Petit Round** is a miniature recessed low level wash light utilising a 1W LED super-bright light in a warm white colour temperature.

Manufactured from steel the Petit displays a 5 degree beam of light giving a subtle low-level lighting effect in walkways, in circulation areas and as a feature maker.

**Please note:** The cutout diameter will depend on what fixing clip you are using with this product.

Spring clips are included for plaster board installation, a burial tube is available separately for wall installation.

### LED Driver Options

- **Switching** - Use this driver for on/off control. Cannot be used for dimming.
- **Dimming - Normal** - Use this driver for dimming control. Some dimmers may require a resistive dummy load to meet the minimum load requirements.
- **Dimming - 1-10V** - Use this driver with a 1-10V dimmer modules or control systems. This type of dimming does not have a minimum load.
