

LED Connect Dimmable 240V

LED Linear Light Connect 9W 240V
4000K Cool White

LEDFLTUBE 9W CW

4000K Cool White
Quicklink: Q4F0E

General

Colour	White
Construction	Plastic
IP Rating	IP00

Electrical

Maximum Wattage	9W
Voltage	240V

Light Characteristics

Colour Temperature	4000K Cool White
Lumens	750 lm
Lumens Per Watt	83 lm/W

The **LED Connect** is an LED Strip primarily used for lighting up pelmets, coves, shelving, and any area which doesn't have a large amount of space. The strips can be connected together with or without the use of couplers allowing a consistent ray of light to wash onto any surface. The fitting is 240V and can be plugged straight into your mains and is switching only.
