PRO REALPAR3815D

15° 3000K Warm White
Quicklink: Q4F2F

General

Cap	ES / E27
Colour	Silver
Construction	Aluminium

Dimensions

Diameter	120mm
Height	115mm

Electrical

Energy Efficiency Rating	A+
Maximum Wattage	16W
Voltage	240V

Light Characteristics

Colour Rendering Index	93
Colour Temperature	3000K Warm White
Lumens	1400 lm
Lumens Per Watt	88 lm/W

The **Pro Reality LED Par 38 Narrow Beam Reflector 16W** is an LED lamp that matches halogen light source. This is achieved with the use of a single Cree LED chip with a reflector built around it. The result is truly warm and gives that arc of light we are all used to seeing with halogen.

We have used an improved circuit for the LED driver for smooth, flicker free dimming. We have fully tested dimming with Lutron and various dimmer modules

The Pro Reality lamps are our most powerful LED lamps yet, but with the benefit of being energy efficient, all complying to the 2013 Part L regulations. The Lamps high lumen output make them ideal for lighting large spaces and high ceilings.

The Pro Reality ranges high CRI makes it ideal for lighting residential interiors, with its superior light bringing out all the colours, materials and textures of the home. The perfect colour spectrum of the light also makes the lamps ideal for lighting artwork and ornaments.

Key Features

- Replicates halogen reflector
- Colour Rendering Index of 93
- LED positioned further back for anti glare
- Complies with 2013 Part L regulations
- Fully dimmable with leading & trailing edge dimmers
- Equivalent to 150W Halogen
- LED Chip 15°: CREE CXA1512

Please Note: This LED lamp comes with a one year warranty as standard.
