

Anti Glare Bar AR111

AR111 Bar Lamp (G53)

35W 4°

M351 4D

35W 4°

Quicklink: Q4F3E

The **AR111 Bar Lamp** has an aluminium reflector that sends heat outwards. Reflector faceting also ensures that light is evenly distributed.

The lamps are equipped with caps for reduced glare and ease of handling.
