MALTE2 GAL

Silver 60W

Quicklink: Q5257

The **Malte** is simple, stylish and inviting wall light in galvanised steel from Nordlux, which can withstand most outdoor environments. The light is suitable for the front door, the fence or in the stairwell, where good light is required. The galvanised finish makes the light fixture resistant to the Nordic climate. We recommend light fixtures in galvanised steel for coastal areas.
