

KOS 1326015 CON

6W Concrete

Quicklink: Q5380

General

Cap	GU10
Colour	Grey
Construction	Concrete
Dimmable	Yes
IP Rating	IP44
Weight	1.71kg

Dimensions

Diameter	110mm
Height	141mm
Length	110mm
Width	110mm

Electrical

Maximum Wattage	6W
Voltage	240V

The **Kos Square Coastal** is a rugged and durable surface-mounted downlight that is perfect for use in coastal and other harsh environments. With its IP44 rating, it is protected against water ingress, making it suitable for use in areas where there is a high level of moisture and humidity.

Constructed from high-quality concrete, this downlight is Class 2, double insulated and can vary in tone and appearance with some texturization and patterning present, adding a unique and stylish look to any outdoor space. It can be fitted with a maximum of 6W GU10 LED, providing a bright and energy-efficient lighting solution.

Whether you're looking to illuminate a coastal home, outdoor patio, or any other space exposed to harsh elements, the Kos 140 Coastal is a versatile and practical lighting solution. Its durable construction and IP44 rating make it an ideal choice for use in onerous environments, ensuring that it can withstand the elements and provide long-lasting performance.
