Maximum Wattage	6W
-----------------	----

The Cut up-light gives a fixed upward beam of light ideal for producing simple but effective mood or feature lighting. It is free-standing, and plugs into a mains supply, so can be easily moved around.

If dimming is required an in-line dimmer must be purchased. Please refer to the dimmers minimum and maximum loads so that a lamp with corresponding wattage is used.

The Cut Standing Floor Light is compatible with most domestic smart light bulbs, including Philips Hue. Please check bulb length against product dimensions to confirm suitability.
