The **Snow Tubes** icicle lights are a ideal complimentary lighting for your outdoor Christmas display. Use them to create an amazing light show in your trees, hang from your roof or porch as they recreate a lovely, gentle snowfall effect.

Please Note : Maximum of two units, plug together on one power cord.

With five snow tubes, that can be spaced up to 2 metres apart and at 50cm in length, they're great to highlight those darker areas of your garden, or be creative by hanging them in the conservatory or windows for that extra festive feel.
