The **Mast Exterior Wall Light** is a sleek and stylish outdoor lighting solution that will add a touch of elegance to outdoor and porch. This fitting is available in different beautiful finishes, allowing you to choose the perfect match for your home's exterior. The Mast Exterior Wall Light requires one 35W GU10 Lamp, providing ample light for your outdoor space.

It is important to note that this product is **not suitable to be installed within 5 miles of the coast or in a high salt environment**. This is because the salt in the air can cause the light to corrode and degrade more quickly, reducing its lifespan.

The Mast Exterior Wall Light is not only functional but also adds a touch of style to your outdoor living space. Its sleek design and high-quality construction make it a durable and long-lasting addition to your home. With its beautiful finish and bright light, the Mast Exterior Wall Light is the perfect choice for illuminating your outdoor space.
