# Flat Plate Horizon Polished Chrome

Horizon Square Dimmer Switch Multi-Dim Master

4 gang 250 watt multi-way Polished Chrome

## MRPCDSW4/MM

4 gang 250 watt multi-way Polished Chrome

Quicklink: Q56FA

### General

| | |
|---|---|
| Colour | Chrome |
| Construction | Polished Stainless Steel |

### Dimensions

| | |
|---|---|
| Length | 86mm |
| Plate Depth | 1.5mm |
| Width | 146mm |

### Electrical

| | |
|---|---|
| Maximum Wattage | 250W |
| Voltage | 240V |

The superior quality of the **Horizon faceplate style** has been designed to suit both traditional and contemporary interiors. Produced with square corners, it features **trimless switches** for exceptional product reliability. To ensure design uniformity throughout a project, non-standard accessories can be made to suit requirements.

Non-standard accessories can be made to ensure design uniformity throughout a project.

The **Multi-Dim Dimmers** are suitable for 1-way or Multi-way dimming and switching. Use 1 master dimmer with any number of the slave dimmers to allow dimming from multiple different positions.

**Features**

- Minimum load down to 3W of capactive or resistive load, such as dimmable LEDs, incandescent, MV Halogen / LV Halogen with electronic transformers.
- Lamp soft-start operation, to extend the lifetime of the lamp.
- LED backlight to indicate the dimming mode.
- User setting for minimum level dim
- Built in short circuit protection protection, designed to ensure the dimmer can survive in case of faulty wiring or load failure.
- Built in resettable thermal cut-out to protect the dimmer.
- Complies with IEC EN60669 and international safety standards.
