The **Alton Pendant Light** series is a stunning collection of pendant lights that offer a beautiful cohesion between the simple, opal white glass and the lovely, rounded shape. This creates an elegant and classic expression that will add a touch of sophistication to any room. The Alton series comes with two tops to choose from: one in matt, black metal and one in brushed brass, so you can choose the look that best suits your décor.

The combination of opal white glass and brushed brass creates a warm, modern design expression, making it perfect for contemporary spaces. The Alton series is ideal for any room in your home, whether you're looking to add a touch of elegance to your living room, kitchen, or bedroom.

With its high-quality materials and timeless design, the Alton series is built to last. The opal white glass diffuses light evenly, while the rounded shape and metal tops add a touch of elegance to the overall design. The Alton series is a must-have piece for any design-savvy home, it will be treasured for years to come.
