

CAMBRIA 1421003

White Pleated 2 x 12W

Quicklink: Q585B

If you're looking for simple lighting, but prefer the look of a fabric shade, the Astro Cambria collection could provide the answer. Fitted flush to the ceiling, these lights are ideal for lower height rooms and provide soft, even illumination. Magnets hold the shade in place with no visible fixings, providing a seamless look to your lighting.
