Lumens Per Watt	48 lm/W

Introducing the **Keta LED USB-A Bedside Wall Light**, a product of ten years of meticulous engineering. Designed for both vertical and horizontal wall mounting, this light features a recessed source to reduce glare, ensuring a comfortable reading experience. The automatic on-off switch, activated by a simple docking motion, adds a layer of convenience and sophistication.

Every detail of the Keta light has been refined, from engineered stops that prevent abrasion to the perfect alignment between the head and cradle. This attention to detail not only enhances its functionality but also its aesthetic appeal. Ideal for modern bedrooms, hotels, and commercial spaces, the Keta LED USB Bedside Wall Light seamlessly blends style with practicality.

Elevate your space with the Keta LED USB Bedside Wall Light, where innovation meets elegance.
