Introducing **Cody Bedside Light** - the ultimate space-saving solution that combines sleek design with unparalleled functionality. This multifunctional bedside wall lamp is the perfect addition to any modern home or office, offering a minimalist yet highly practical design that is sure to impress.

With its convenient shelf, Cody is the ideal choice for anyone who needs to keep their essentials within arm's reach while in bed.

But that's not all - Cody also comes equipped with a handy USB port underneath the lamp, allowing you to charge your phone or other device with ease. And with its adjustable lamp head, you can easily direct the light exactly where you need it most.

Crafted from high-quality materials and designed with practicality in mind, Cody is the ultimate lighting solution for anyone who wants to maximise their space without sacrificing style. Its compact design and sleek aesthetic make it the perfect addition to any bedroom, while its versatile functionality ensures that it is always there when you need it most.
