Electrical

Maximum Wattage	3.5W
Voltage	240V

Light Characteristics

Beam Angle	80°
Colour Temperature	3000K Warm White
Lumens	441 lm
Lumens Per Watt	126 lm/W

The **Glass LED Trimless Low Level** is an LED Low Level constructed from tempered glass. It is recessed, flush mounted and trimless giving a seamless look. It has an integrated LED driver and a single powerful LED chip.

Whether installed in concrete or drywall, we recommend always installing the low level light using the included installation box.
