The Dicte Wall Light with Shelf and USB port is a versatile and functional lighting solution that will add a cosy and natural feeling to any room in your house. This range of wall lamps features an integrated shelf and a convenient USB port for charging your electrical devices, making it a great choice for use as a bedside lamp.

The pleated cotton shade ensures a soft and diffused light, making the Dicte Wall Light a perfect choice for creating a warm and inviting atmosphere in any room. The round shade of the Dicte lamps is made from soft, hand-tied fabric, which gives the design a natural and organic feel.

The cable has a length of 150cm and can be replaced. The shade has a diameter of 21cm, it's perfect for small spaces without compromising on style. The Dicte Wall Range offers a unique combination of function and design that will make it a treasured piece in any bedroom
