Slim Nordic design and innovative technology are combined in the most compelling way in the Clyde series. Clyde has a built-in Moodmaker function, which allows you to adjust the light in three steps according to needs and situation from your regular wall switch.

Clyde is a practical and functional table lamp where the lamp head can be adjusted up and down according to needs and situation. With the built-in Moodmaker function the lamp can be used as both task lighting and warm cosy lighting in the living room and bedroom.

3-Step MoodMaker dimming function

- Step 1: Centre + Ring Light On
- Step 2: Centre Only
- Step 3: Ring Light Only
