Weight	1.33kg

Dimensions

Height	210mm
Length	150mm
Width	50mm

Electrical

Energy Efficiency Rating	F
Maximum Wattage	10.4W (2 x 5W)
Voltage	240V

Light Characteristics

Beam Angle	120°
Colour Rendering Index	80
Colour Temperature	3000K Warm White
Lumens	225 lm
Lumens Per Watt	22 lm/W

Take simplicity to the next level with **Fold 15 Exterior Wall Light**. "Fold a sheet of paper, place a bulb behind - and you have a lamp." Although the reality is not that simple, designer Henrik Bønnelycke wants the light to appear as if it is. In terms of shape, Fold is brightly clear, where the selected details and latest LED technology are in focus.

The magnetic shade makes the installation simple and the design distinct without visible screws. The light shines up and down, and the four included light patterns change the light based on desire and personal style and are also an element for light dimming.

The design is both decorative and sculptural, which makes Fold wall lamp in white suitable both indoors and outdoors.

Key Features

- Three light effects included
- Up and downlight
- Built-in parallel connection
- Designed for both outdoor and bathroom use
- 5-year LED guarantee
