FRONT 26 Wall Light is designed for the classical mansion as well as the modern home. The fixture is manufactured in cast aluminium, which supports the simple and clear design idiom. This means that FRONT blends naturally into the architecture of the home. It also means that FRONT fulfils the requirements of being a light source, and an atmospheric element, with the utmost ease. An up-to-date solution with energy-efficient LED technology. Design by HolmbäckNordentoft.
