The Single Sparkle Net 24V Outdoor has a total of 84 lamps on black netted cable. This is an independent net with a 25W transformer to be used on it's own and can not be linked to any other net. Comes complete with 8 function chase controller and 25W transformer.

Sparkle Nets are the ideal light to use for window displays, buildings or any three dimensional shapes.

These lights have a round 2 pin plug. They will require either wiring to a 13A UK mains plug or using an adaptor
