Cole Table Lamp by Franklite is a modern desk lamp with a gold-brass finish. This elegant desk lamp merges timeless design with modern style thanks to its gracefully curved arm that supports a wide, shallow dome-shaped shade. The circular, flat base complements the lamp's sleek design, all finished in matching gold tones. Its aged brass look adds classic sophistication to any space, while the in-line switch on the cable ensures convenient operation.

Perfect for bedside tables, desks, or side tables, this versatile lamp blends seamlessly with various interior styles, enhancing the ambiance of your living space with understated elegance and practical illumination.
