Add a touch of elegance to your home with the Franklite Icicle 2 Light Wall Light. This interior wall light features a luxurious aged brass finish, beautifully complemented by ice cubed shaped glass panels at varying heights. These unique glass panels refract light in a captivating manner, creating a stunning visual effect that enhances any room's ambiance.

The aged brass finish adds a vintage charm and timeless elegance to your decor. The ice cubed shaped glass panels are designed to catch and refract light, producing a dazzling display that is both functional and decorative. This wall light is perfect for adding a sophisticated touch to your living room or hotel hallway making it a versatile addition to any contemporary interior.
