Franklite **Warrior Wall Light** is crafted from durable cast aluminium, this wall light features a textured antique copper finish that exudes vintage touch and sophistication. Its robust design makes it suitable for both interior and exterior use, providing versatile lighting solutions for any setting.

The Warrior Wall Light is designed to withstand the elements, with an IP54 rating ensuring protection against dust and water. This makes it an ideal choice for illuminating outdoor spaces such as patios, gardens, and entryways, as well as adding a unique touch to indoor areas like hallways and living rooms.
