Crafted from high-quality materials, **Tacoma Pendant** in Antique Brass features a minimalist cylindrical shape, perfect for adding interest to any interior. Its subtle yet striking design makes it ideal for kitchens, dining areas, or living spaces, where it can be hung alone or in clusters for a more dramatic effect.

Thanks to its IP rating, the pendant is also the first bathroom in the portfolio that utilises a contemporary flexi cable stem.

Please note, **shades are sold separately** - see linked items
